IMPORTANT: We offer introductory courses and rescue classes that must be arranged for ahead of time (when the reservation is made). For safety reasons, renters must take as a minimum the introductory course or it's equivalent from another reputable sea kayaking centre prior to the rental period. Additionally, at least one member of a rental party must be capable of performing group and self rescues. All overnight renters must have experience in rescue techniques and basic navigation.

We carry the Telkwa, Telkwa Sport and the Hyak by Nimbus www.nimbuskayaks.com and the Tyee, Chinook TX and Passage TX by Seaward www.seawardkayaks.com as well as various plastic kayaks by Necky.

Kayakers should wear comfortable clothing appropriate for the weather. Shorts or pants that can be rolled up are a good idea as you will get wet up to the knees. Footwear must be sturdy and able to get wet. Bare-feet and thong type sandals are dangerous on shell covered, rugged shores. Old running shoes or "Water Shoes" are ideal. Bring sunscreen, sunglasses, a sweater or light jacket and long slip on pants. For those who are doing a rescue class, even though we have the warmest ocean temperatures in B.C., we recommend that you bring a wetsuit if you have one or long-sleeve synthetic pants and top. We have a limited number of wetsuits which may be rented for the class for \$10. A warm hat is nice to have as well. We provide all required safety gear plus water bottles and a light snack.
